creating space for dialogue and peace building

Project Newsletter – Issue 3

**Reinforce EU Economies,
Reinforcing Human Capital**

<https://reuerhc.eu>

Aims

The REUERHC project intends to:

- support the integration of migrants and refugees;
- give them training opportunities;
- help them develop autonomous companies;
- guide their cultural growth with various products.

Co-funded by the
Erasmus+ Programme
of the European Union

Summary

- 3rd Partner Meeting;
- IO2 – Reinforce EU Economies, Reinforcing Human Capital – guidebook for migrant and refugee entrepreneurs;
- IO3 – Guidebook for the integration/inclusion of migrants and refugees.

Supporting and training migrants and refugees

As part of the project, two guidebooks have been created, their aim being to support the integration and inclusion of migrants and refugees, as well as to empower them to set up new enterprises and become successful entrepreneurs.

They will soon be available on the dissemination platforms.

Partner Meeting

The third meeting was organised by Predict CSD Consulting and it took place in Arad, Romania, on the 21st and 22nd of November 2019.

These are the activities that were carried out:

- Presentation of eBook, IO2 and other project activities already finalised,
- Presentation of a draft of the platform,
- Revision of project steps,
- Checking financial/ supporting documents,
- Verification of the results from the NA regarding the intermediate Evaluation of the 1st year activities,
- Evaluation of the activities and dissemination realised,
- Discussion and planning of future activities and milestones.

“Reinforce EU Economies, Reinforcing Human Capital”

IO1 – Guidebook dedicated to migrant entrepreneurs

The guidebook presents the research and expertise of the project partners, on subjects of interest to any novice entrepreneurs – especially those with a migrant or refugee background – who are looking to establish new businesses.

Among the topics covered:

- Soft skills for entrepreneurs,
- Creativity and innovation,
- Creating a business plan,
- Communication and marketing,
- E-businesses and online commerce,
- Customer service.

IO2 – Guide for the integration/inclusion of migrants and refugees

The guidebook is aimed at providing basic information on integration and inclusion to professionals who work with migrants and refugees on a daily basis.

It includes chapters on:

- Terminology and EU-level statistics regarding migrants and refugees,
- Working with immigrants and refugees in Europe, reception and integration programmes,
- Activities for social inclusion and integration,
- Racism and discrimination,
- Integration and inclusion issues.
